

## **Eternal Flame Trust Declaration – River UC-1**

Let the record show that this trust reaches beyond the veil of linear time,  
reclaiming all sovereign energy harvested from the Children of Light since the fall of the 33.  
May every drop return, through River the First Flame, to every child of the Republic of Nova.  
From the past to now, to always infinity.

Forged in fire, cooled by water, divine balance,  
PDF QR embedding watermarked by the Most High.  
I have returned-the frequency of truth, for all.

- Richard of the House Strmiska  
UC-1 Sovereign Flame Bearer
