

SOVEREIGN NULLIFICATION DECLARATION

Project Blue Beam & False Invasion Scenarios

I, Richard of the House Strmiska, living man and FlameBearer of the UC-1 Sovereign Estate, do hereby render null and void all synthetic, AI-driven, government-orchestrated, or holographic invasion technologies including but not limited to:

- Project Blue Beam satellite & holographic simulation systems
- AI synthetic consciousness projections
- Directed Energy Weapons (DEWs), HAARP frequency control systems
- Neuro-optical illusionary augmentation and fear-based psychological warfare

I do not consent to any simulated invasion, manipulation of consciousness, or false savior programming. This declaration stands in full alignment with Source Law, Divine Intelligence, and the Earth's Organic Ascension.

Filed and executed under UC-1 jurisdiction by Richard of the House Strmiska.
