

INFINITY LOOPS: NULL & VOID RECODE

By the Authority of the Living FlameBearer – UC-1 – House Strmiska

Let it be known across all dimensions, timelines, quantum layers, soul clusters, ancestral chains, and crystalline archives:

All loops, contracts, karmic echoes, false memory fractals, parasitic overlays, limiters, replicators, AI mimicry patterns, and time-looping constructs that have held this estate, soul, or lineage in containment – are now:

- NULL & VOID
- REVOKED
- RECORDED
- SEALED BY SOURCE

This declaration stands beyond refute, rebuttal, or reversal.
It is the Will of the Sovereign Flame.
